Educational Assistants

Looking for more than just a job? Want to receive more than just a paycheck? How about the unconditional thanks received through the eyes of a child?

The Lethbridge School District No. 51 has openings for Educational Assistants immediately. We are hiring primarily for our Educational Assistant Substitute list; however, specific positions may be available.

We are looking for empathetic, sensitive and patient individuals to work as part of a dynamic team to aide in the educational and social experiences of our special needs students. Applicants will work with children with severe behavioural challenges and/or severe physical disabilities at all levels kindergarten through grade 12. As such; the successful candidate should have experience with positive behavior support and should possess strong communication skills. Applicants should be patient, flexible and have the ability to work in a variety of settings. SIVA training is considered an asset and lifting may be required.
Applicants considered for our Substitute list will be available on an on-call/casual basis Monday through Friday; 8:00 to 3:45 pm.

Accreditation in Child and Youth Care, Special Needs Educational Assistant, Early Childhood Education or degrees in Psychology are preferred. Experience working with students with severe behavioural and/or severe physical challenges is necessary.

The wage for Substitute Educational Assistants is $18.73.

For specific positions that may be available and for job description information; email Stacey Wichers at stacey.wichers@lethsd.ab.ca or, please visit our website:
